"Yo, Hiccup!". Said boy turned around to see the probably hottest guy in school walk towards him. "Hey Jack!" Hiccup greeted as Jack fell in step with him and they walked to their lunch table. They put their bags beside their chairs and sat down. "Sooo...", Jack began "how is my favorite boyfriend today?". Hiccup rolled his eyes "If I remember correctly IÂ´m your only boyfriend.". Jack chuckled and pecked his cheek "True.". As Hiccup was just about to kiss Jack on the lips a loud voice directly behind them said "Can you please stop kissing each other every two seconds?! I-". "Oh Mer,", Rapunzel interrupted her "leave them alone. YouÂ´d understand if youÂ´d have a boyfriend!". Merida at the three of them but sat down across from Hiccup. Rapunzel dropped in the seat next to her. She started to unwrap her sandwich as a loud "Yo, Rapunzel!" startled her and caused her to drop the sandwich on the table. The next moment strong arms hugged her from behind and a light kiss was pressed on her right cheek. "Yo?", Rapunzel scoffed "Is that how you gonna greet me?". Flynn Rider, her boyfriend, only chuckled and kissed her once more.

"WhatÂ´s wrong with greeting someone with Â´YoÂ´? HiccupÂ´s okay with it, right Hic?" Jack asked. As expected Hiccup just rolled his eyes and kissed Jacks cheek. "Nope, no problem.". Merida groaned and let her head fall on her arms and mumbled something about couples and kisses. Everyone chuckled at this. "Do you know,", Flynn asked "what a perfect Halloween-costume would be? If youÂ´d dress up-".

" -as Hiccup!" Jack piped in and laughed. Everyone except Hiccup joined in. "Yeah, make fun of me. Toothless said the exact same thing . He even asked me if he could borrow my clothes!". By now everyone was laughing pretty hard. Jack was even on the floor, clutching his sides as sparkled in the corners of his eyes. Hiccup couldnÂ´t hide the wide grin as he looked around and noticed a few people staring. He turned around as Jacks phone started to ring. He took it still laughing from the table. "Yo!" he nearly yelled in his phone. They all heard his mother reply "Sweetie, donÂ´t tell me this is how youÂ´ll answer the phone now." After a moment of silence they all broke in fits of laughter. Rapunzel took the phone from Jack. "Hey, itÂ´s Rapunzel!". "Hello sweetheart! WhatÂ´s this all about?". "DonÂ´t worry," Rapunzel said "itÂ´s just an insider joke! IÂ´m sure heÂ´ll tell you about it when he gets home.". Jacks mother replied "Okay! IÂ´ll text him later. Have a nice day!". After a quick Â´You tooÂ´ she handed the phone back to the still laughing Jack. They all calmed down as the bell rang. They said their Â´ByeÂ´and went to their next classes.
